Cayenne Turbo. Optional for all other Cayenne models. Seat ventilation. For even greater occupant comfort on longer journeys and in the summer, Cayenne Turbo is equipped with seat ventilation. This is accomplished with respect to the Cayenne air and heat or cooling elements in the interior. In summer, the generally lower outside temperature at night influences the inside temperature relatively quickly. 2020-2021 Porsche Cayenne Owners Manual - If we’re able to place our subliminal-performance urges aside, the Cayenne Turbo’s all-wheel drive system is the most logical choice. As a result, the Cayenne Turbo is able to maintain its superior grip and stability in harsh conditions. Cayenne Turbo has been known to exceed its limits and set the standard for future luxury SUVs in its class, and it has certainly lived up to its promise in every aspect. Here is a summary of the highlights of the Cayenne Turbo:

- **Engine:** The Cayenne Turbo is powered by a 4.0-liter twin-turbocharged V8 engine. It produces 550 horsepower and 567 lb-ft of torque, which is more than enough power to propel the Cayenne Turbo to 60 mph in just 3.9 seconds.
- **Transmission:** The Cayenne Turbo is equipped with an eight-speed Tiptronic S automatic transmission, which provides smooth and efficient shifting.
- **Handling:** The Cayenne Turbo features a sport suspension and rear-wheel steering, which enhance its handling capabilities and make it more enjoyable to drive.
- **Brakes:** The Cayenne Turbo is equipped with a four-wheel brake system. It comes with Porsche Ceramic Composite Brakes (PCCB) as standard, which provide excellent stopping power and durability.
- **Performance:** The Cayenne Turbo is capable of reaching a top speed of 167 mph. It is also equipped with aLaunch Control system, which optimizes acceleration for a 400-meter sprint.
- **Comfort:** The Cayenne Turbo offers comfortable seating with leather upholstery and premium materials. It also features a dual-zone climate control system, which allows for personalized temperature settings.

In conclusion, the Cayenne Turbo is a powerful and luxurious SUV that offers outstanding performance and comfort. With its turbocharged V8 engine and advanced features, it is a top choice for those who want the best of both worlds.
